Note: this is the first topic I am sharing on sandblasting rock. If you came across this page and haven't signed up to get more information on this, please be sure to do so [here in order to get more information](#) on this subject.

Let's first start with a list of basic ideas of what you can engrave into stone:

1. Landscape rocks for homes marking the address or family name

2. Decorative garden rocks

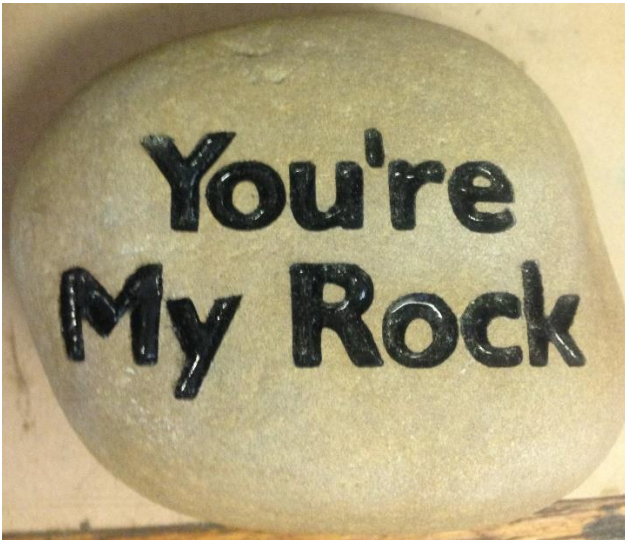

3. Company logos on rocks to replace signs

4. Company logos on small rocks for paper weights, decorative gardens, or interior decor.

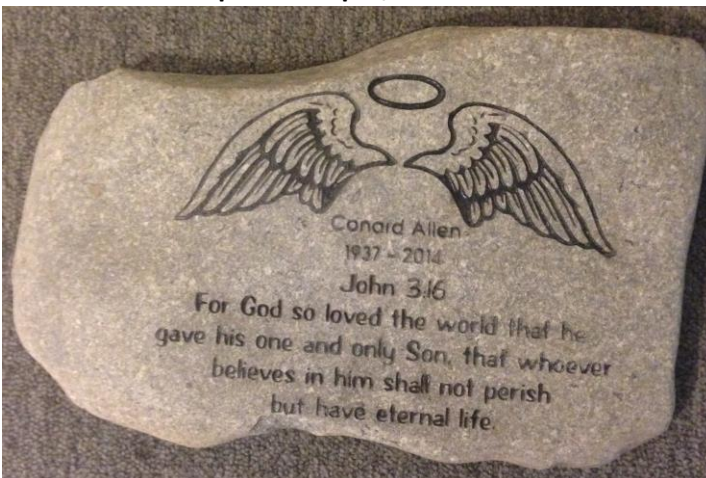

5. Brick engraving

6. Engraving thoughtful sayings

7. Display your hobbies and what you care about
8. Remembrance of person or pet/ Memorials

9. Gemstones

10. Wedding Remembrances

11. College and sports team logos
